PART 1

**OWNING A COMMUNITY
IS A MANAGEABLE
RISK**

Short-fused warnings from June 2014 through June 2016

Darker shades indicate more warnings. Stacked by warning type.

Yellow = thunderstorm, red = tornado, green = flash flood

Tornados Are Actually Quite Rare

Tornados are actually quite rare.

Tornados don't target mobile home parks disproportionately.

Park tenants are usually better...

than apartment tenants.

Use Proper Ownership Entities

LLC's - Ltd. Partnerships - Corporations
Not individual ownership
